

BOOKING TERMS AND CONDITIONS - TICKETS TO GREEN POWER SWEDEN SUMMIT 2026

Booking

- All bookings are made via our website. We do not accept bookings by email.
- Prices are stated excluding 25% VAT.
- Once your booking is complete, a confirmation will be sent to the email address you provided.
- Bookings are binding and cannot be cancelled.
- Tickets may be transferred to another participant. Update the details via the link in your booking confirmation. Please note that changes made less than three weeks before the conference are not guaranteed to be reflected in participant lists or for special dietary requirements.
- Any resale of tickets requires written approval from Green Power Sweden (org. no. 769609-1250) and may only take place on a non-profit basis.

Ticket Categories

Member:

For companies that are members of Green Power Sweden.

Non-member:

For other companies and organizations.

Public sector:

For individuals employed by national authorities, regions or municipalities, as well as universities or colleges with public ownership.

This category does not apply to employees of:

- State-, regionally or municipally owned companies.

- Foundations, institutes, export- or business organizations.
- Other organizations that are fully or partly publicly funded but operate independently from public administration and/or on market or commercial terms.

Examples of organizations that do not fall within the public sector category:

- Industry associations
- Trade organizations
- Publicly funded promotional organizations

Green Power Sweden reserves the right to assess eligibility on a case-by-case basis.

Non-profit Environmental Organization:

Employees of non-profit, non-partisan and non-religious environmental organizations whose primary activities relate to climate, the environment or nature conservation. The organization must be registered as a non-profit association and must not conduct commercial activities as its primary focus.

Green Power Sweden reserves the right to make an assessment in each individual case and may, if necessary, request additional information.

Student:

For those studying a technical or natural science programme with a focus on renewable energy, or who are active in a political youth association. Valid student ID is required upon arrival.

Green Power Sweden reserves the right to assess eligibility on a case-by-case basis.

What's Included in the Conference Ticket

Member and non-member

- Entrance to Green Power Sweden Summit 2026 on **October 6** from 15.30 including access to the seminar program, exhibition, standing dinner mingle and drinks.
